

**PROCEEDINGS OF MINUTES OF A SPECIAL MEETING  
OF THE TOWN OF OAK GROVE, LOUISIANA  
WEDNESDAY, DECEMBER 21, 2017 – 3:30 P.M.**

The Town Council of Oak Grove met in special session on Wednesday, December 21, 2017 at 3:30 P.M. Present for the meeting were Council Members Nevels, Rye, Walker and Haynes. Council Member Philley was absent. Mayor Holland presided.

Invocation was led by Council Member Haynes.

Brian Harrell with Denmon Engineering presented the council with proposed changes to the original low bid for the sewer treatment plant improvements. The changes were made in an effort to save money on the project because the original bids for the project were higher than expected and not within the planned budget. The Original bid from Dixie Overland Construction, LLC was for \$1,487,189.00. The proposed changes would bring the construction cost down to approximately \$1,100,000. After reviewing the plans and proposed changes, Council Member Nevels made a motion, seconded by Council Member Rye to accept the bid from Dixie Overland Construction, LLC along with the changes. The motion passed unanimously.

With no further business to discuss, the meeting adjourned at 3:55 P.M.
